

Caltrans/California Trans. Foundation Transportation Planning Scholarship

Each year, Caltrans Transportation Planning staff and the California Transportation Foundation (a non-profit organization) award two \$1,000 scholarships to promising student assistants. These scholarships are intended to recognize, encourage, and assist outstanding students who are working toward a Baccalaureate or Graduate degree in Planning or a related field, and who plan to work in the field of Transportation Planning upon graduation.

These scholarships are competitive and are based upon employment, career goals, academic record, and related extracurricular activities.

The 2003 Scholarship Recipients were:

- **Alicia-Nicole Stewart, District 11**

*San Diego State,
Public Administration Major with an
emphasis on City Planning*

- **Leah Price, District 5**

*Cal Poly San Luis Obispo,
City & Regional Planning Major*

*We hope to offer these Caltrans/CTF Trans.
Planning scholarships again in the year 2003, but in
order to do so need your help in fundraising.*

Caltrans/CTF Trans. Planning Scholarship

The California Department of Transportation, Division of Trans. Planning encourages student assistants

with a demonstrated interest in working in the planning pro-

fession by offering two scholarships each year.. These

scholarships are competitive and are based upon a students employment, career goals, academic record, and related extra curricular activities. The award is currently \$1,000 each to two selected applicants.

In 2003, two student assistants were recognized; Alicia-Nicole Stewart, District 11 and Leah Price, District 5.

We hope to be able to continue offering this scholarship, but in order to do so, need your help

The CT/CTF scholarship helps promising student assistants reach their educational goals

Fundraising

Caltrans Transportation Planning staff need to raise a minimum of \$1,500.00 annually in order to maintain the Transportation Planning Scholarship at its current level; this can sometimes be a struggle.

Last year's fundraising activities included requests for donations at PMT meetings, TP Academics, and other Planning events. This year, we hope to involve more planning staff in funding the scholarship by asking you each to take a moment to donate a few dollars to the scholarship fund.

Help keep the TP Planning Scholarship alive. . .

Another way to ensure that the efforts of promising student assistants are recognized is to have a fundraiser in your District or Division—a bake sale, a talent show, a walk-a-thon—you can be as creative as you'd like. Just remember to let someone from DOTP's Office of Professional Development know about the event so your efforts can be recognized. With your help, the Trans. Planning scholarship can not only survive, it can grow.

To contribute to the CT Trans. Planning Scholarship Fund:

Donation checks can be made out to CTF. Be Sure to designate your contribution to the Caltrans Planning Scholarship Fund. This qualifies your contributions for tax deduction. CTF's EIN Number is 68-0165 257

Mail Donations to the address below, or refold this flyer (with the opposite side facing out):
